GRAMMAR SCHOOL

MRGS News Bulletin Week ending 18th November

Nga mihi nui ki a koutou, Talofalava, Malo'elelei, Namaste, Ni Hao

This week our junior students have been sitting their end of year examinations in core subjects and as teachers assess their work and complete term 4 reports our younger learners will have the opportunity to gauge the progress they have made across a range of areas. These end of year examinations give students invaluable experience of formal assessments and build their revision and retention skills for future years.

In the remaining three weeks of the year there is still learning to be done; new units of work in subjects and the final week of term's three day Wider Education which offers students interactions and experiences outside the classroom context. We stress the school's requirement that every junior student is involved in Wider Education and urge caregivers to ensure that payments and paperwork are returned to school as soon as possible.

Next week the school will have a teacher only day for NCEA preparation. This means that on Friday 25th November there will be no school for years 9 and 10. A separate letter with the detail of the day will be sent home early next week.

As the end of term 4 approaches the school is also preparing for junior prizegiving which will take place on Friday 9th December at 9.30. All caregivers of junior students are invited to this celebration of the junior school's year and information on the event and also the arrangements for the last week of term will be sent to parents in advance.

John Wilkinson—Deputy Principal
