

MOUNT ROSKILL
GRAMMAR SCHOOL

MRGS News Bulletin Week ending 9th December

Nga mihi nui ki a koutou, Talofalava, Malo'elelei, Namaste, Ni Hao

Junior students have now finished for the year, the formal prizegiving was held on Friday 9th December, congratulations to all our prizewinners.

To finish off their school year students have enjoyed a three day Wider Education program which offered students interactions and experiences outside the classroom context. Students enjoyed a number of outdoor activities including tramping the Pinnacles in Kaureranga Valley, hiking and climbing at the Motutapu camp, mountain biking and climbing in the Woodhill Forest as well as a number of day trips which saw students enjoy Waiwera Hot-pools, Rangitoto island and Rainbows End.

We have much pleasure advising Mt Roskill Grammar School that Year 13 students Shreya Handa and Hannah Widjaja were among twenty scholarship recipients selected for entry into the LENSscience Bio-Med Summer School Programme. Their scholarship funding has been provided by the National Research Centre for Growth and Development and the Friedlander Foundation. Congratulations on their selection and thank you for supporting them through the application process.
