To whom it may Concern

I am proud to give an official Auckland welcome to our newest international students attending Mt Roskill Grammar.

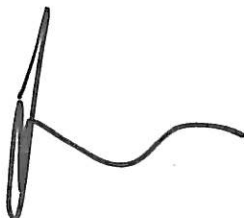

Ours is a city built on an amazing environmental landscape, with a diverse population and excellent educational opportunities. We also have a global reputation for our friendly, outgoing nature and welcoming attitude.

As new visitors to our city you can look forward to a positive educational experience, along with stimulating local amenities – such as theatres, museums, galleries, libraries, shopping centres, parks, beaches, cafes and restaurants. I encourage you to take every opportunity to explore the enormous range of activities available on our doorstep.

This is also a city proud of its multi-cultural foundations. Auckland is home to people from a variety of ethnic backgrounds. As a result, this is a diverse and inclusive city, based on strong local communities and a great heart.

We look forward to hosting you in our city and wish you all the best in your educational endeavours.

Yours sincerely,
