# NEWSLETTER – DECEMBER 2012

Nga mihi nui ki a koutou

This will be the last newsletter for 2012. Thank you to families for the tremendous support that you give the school. Working together to provide the best possible learning and achievement for our young people is a privilege. As I write students are returning from the wider education programme which has provided opportunities to take on challenges, relate successfully to others and contribute to groups. Thank you to Miss Leman for her excellent organisation of the programme and to the Wi Kataia Trust who sponsored students to enjoy the Motutapu Island Outdoor Education Camp.

Our consultation for the strategic plan has been completed. Thank you to everyone who responded or attended focus group meetings. We are currently shaping the feedback about strengths and areas for development into strategic goals for the years ahead.

Best wishes to everyone for a peaceful Christmas with your friends and family, a refreshing holiday and an excellent New Year.

Kind Regards

Greg Watson  
**PRINCIPAL**

## **NEW WORLD COMMUNITY FUND 2013**

As part of our school fundraising initiative next year we will be taking part in the New World Community Fund Scheme. From February 18th next year any members of our community who make a purchase over \$50 from the Mt Roskill New World will receive a token which they can place in a container assigned to our school at the supermarket. Each token placed in our container will be a vote for the school to share in the \$25,000 community fund available in 2013. We will be reminding all our parents/caregivers and community of the process at the start of next year in newsletters and mail-outs. We hope that you will take a part in the voting and help us to raise funds for the school.

## **HOMESTAY FAMILIES NEEDED**

Mt Roskill Grammar School is currently looking for families to host International Students in the 2013 year.

This is a great opportunity to provide a supportive environment for our students and share the kiwi lifestyle while learning about other cultures.

For more information, including remuneration details, please contact:

Wendy Reid, International Department

[wendy.reid@mrgs.school.nz](mailto:wendy.reid@mrgs.school.nz) or phone 621 0050 x822/021 976 799 before 20 December

## FRENCH EXCHANGE TRIP

During the end of term three holiday a group of Roskill senior students continued a tradition begun in 2003 and made the long journey to France to take part in our exchange with Jean XXIII Senior High school in Yvetot Normandy. The group of 18 students, accompanied by Mr McAlpine HOD Languages and two other staff members, spent three weeks in France; the first two weeks in homestays in Yvetot and the final week in Paris. The trip gave each of the students a priceless and memorable opportunity to 'power' their language learning and also experience the culture and history of a European country. They were warmly welcomed by their host families and gave well-received presentations about New Zealand to a variety of French school assemblies. They were proud ambassadors of MRGS in all their travels and the strength of the farewells were testament to the positive impact they had

throughout their stay. In addition to time spent at the partner school they visited many of the historic sites of northern France, including Mont St Michel, Bayeux and

its tapestry and the battle scarred beaches of the D Day landings. Their last week in Paris afforded visits to Notre Dame, The Eiffel Tower, The Louvre and Rodin museums. They also spent an awe inspiring day at the Palace of Versailles. Despite the rigors of long-haul travel and breathless sightseeing they were excited about each new experience of

the trip. The students now look forward to 2013 when they will be the hosts to their French correspondents and show them some kiwi hospitality.

## BRIGHT SPARKS AWARDS

In this year's Bright Sparks competition Mount Roskill achieved some excellent results with 4 students being highly commended for their projects and three of our students achieving category placings. Aaron Wong (year 11) came second in his category with a multi-processor world map – a multi-zone world clock that allows Aaron's family to check the time overseas at a glance and facilitate their communication with people overseas. Sohail Abdulla ( year 12 ) gained a 3rd place for designing a robot that cleans windows. The

inspiration for his work was seeing his father struggling to clean windows at home and this led to his invention that he hopes may be adapted for use on high rise buildings in the future. Another student from Roskill, Conor King (year 13), was placed 3rd for his cellphone linked database, 'blurb', which enables your cellphone to communicate information on areas like your music preferences or shoe size to a shop that you enter. He hopes that his design will allow people to have their own

choice of music played by retailers rather than random tunes. Bright

Sparks was created by the Skills organisation in 2000 to nurture those students who will be our nation's future engineers, electricians and programmers. At its core, Bright Sparks is about bringing together people with an interest in technology so they can exchange ideas and information, and give encouragement to those who are just starting out. It's also about getting young people to

experience electronics directly through a project-based approach. The Bright Sparks Competition sees school students develop a prototype using electronics, electrical engineering or programming elements over the course of a year, and send it in to be judged by a panel of industry experts.

## MOUNT ROSKILL CAMPUS MAORI GRADUATION

As part of the achievement celebrations for the end of the year, the Roskill Campus recently held the Maori Graduation Ceremony in the Intermediate School Hall. This event has now become a regular in the calendars of the three schools and recognises the transition of our Maori students to the next stages of their educational life. A large audience of students and families came together to produce a memorable evening. We opened with a karakia and a welcome from the Campus Maori Co-ordinator Whaea Elaina Anderson. Every

element of the evening was accompanied by performances from the Kapa Haka groups of each school and once again we were proud of the spirit and skill demonstrated by these young members of the Roskill whanau. Mr Barribal presented the year 6 Primary students and formally handed them over to the Intermediate -marking their passage by gifts. The Intermediate Principal Mr O'Reilly then introduced and spoke about his Year 8 Maori students who were then handed over to the Grammar School. Finally Mr Watson, from the grammar school presented the year 13 graduating students who were then formally accepted by the whanau and community by our Kaumatua Ted Dawson. Other speeches were then made in honour of the work done for our tamariki by both Elaina Anderson and whaea Lee Tawhai before Mr Wilkinson gave a formal vote of thanks to all those involved. The whanau audience were then invited to mix and mingle over a shared supper.

## SPORTS AWARDS EVENING

Earlier this term we held our annual celebration of sporting achievement. An appreciative audience of student sportsmen and women, parents and coaches applauded the endeavours of the wide range of co-curricular involvement at the school. We were privileged to have Auckland rugby player Charles Piutau as our special guest. At the beginning of the evening he took part in a Question and Answer session with Mr Horne, the school's sports director, and his answers provided entertaining and valuable insights into the demands and rewards of top level professional sport. Throughout the evening the seasons of the various sporting codes were outlined and their achievement acknowledged by the presentation of colours awards. Among the highlights was the team of the year award which went to the 1st XI girls hockey team for their successful and consistent play—they were the winners of their first round grade and were placed finally 3rd at their level. The closing stages of the evening brought the announcement of the top individual awards. The Best All Round Sportswoman was Shriya Naidu for her performance across a range of codes but particularly her national level cricket achievement. Jeremy Lawrie Pau was awarded the best All Round Sportsman trophy for his consistent contribution in a range of sports. The Dux Ludorum awards, for outstanding achievement were the two final premier trophies of the night. The first of these for Sportswoman of the Year was awarded to Auckland Rep and 1st XI Hockey player Alana Miller and the second Sportsman of the year was awarded to New Zealand representative and school gymnast Henry Ng. Both of these students, together with all those receiving awards on the night exemplify the aspiration, resilience and commitment that is the characteristic of sporting involvement at MRGS.

## WIDER EDUCATION Y9 & 10

Wider Education our traditional end of year event for Juniors is an opportunity for our powerful learners to become really active and be part of a range of experiences outside the school environment. Earlier this term the students had the opportunity to choose from a range of activities—some camp style, others based on skills acquisition and a number which challenge the students in new contexts where they can learn and share with their peers.

For three days last week they have had a marvellous time - some groups have journeyed to

Rangitoto and seen our city from the boardwalks of the volcano. Other groups have been involved in a day camp in the Henderson Valley –tramping to the Fairy Falls and learnt

basic First Aid, some bush skills and tasted their own camp fire cooking! A well established activity saw these intrepid juniors climbing and biking in Woodhead Forest—testing their resilience and in the supervised ropes course that was a highlight for all those who took part. Another group were part of a leadership camp on Motatapu island where they worked their way through the adventure course, tramped the landscape of the gulf island and experienced some sailing and kayaking in the safe waters of the gulf island. Each element of these three days has cemented positive working relationships, confidence skills and developed new interests in these active young men and women.

## JUNIOR MUSIC EVENING

At the end of November the Music department held a Junior Music Evening. This informal event was an opportunity for families and friends to listen to a variety of performances representing the range of learning and skills of students. It was held in the music performance room and a packed audience sampled a range of performances from solos to larger groups. Many of those performing were junior newcomers to instruments and performance situations but they all provided entertaining pieces. The evening opened with two of the Year 9 bands who have performed sets of songs that had everyone's feet stomping! The year 9 barbershop then presented their song and were followed

through the evening by groups such as the string orchestra, brass and wood wind ensembles.

The string orchestra reprised their assembly performance of Irish jigs and the pace and exhilaration of the works filled the music block. It is the first year of group performance for many of these young violinists but they clearly enjoyed the opportunity to show everyone what they have achieved in their workshops and practices. Throughout the evening music staff introduced each

set of performers and gave an insight into their

learning journeys in the subject. One such example is the brass ensemble which brought out a stirring rendition of 'Abide with Me'. The final performances of the evening were by firstly a duet of students and then a solo vocal by a year 9 which won loud applause. The audience was then invited to join teachers and performers for refreshments and a chance to share the memories of the night.

## SENIOR PRIZEGIVING

In November we celebrated the achievement of our Senior learners at the school prizegiving. The evening presented subject award winners in years 11, 12 and 13 together with House Distinction awards for service to the school. There were also entertaining performances from the string orchestra and the jazz combo. Two individual items in the ceremony showcased creative talent in both music and speaking. Taina Puloka sang her

own composition "Sing with me" to loud applause and Joshua Iosefo followed the Principal's address with a reprise of his now famous "Brown Brother" speech which once again gripped the audience with its powerful and sensitive treatment topic of Pasifika aspiration and potential – a message which at every performance calls everyone to rise beyond the glass ceilings of life and social group. The final sections of this annual highlight for Roskill achievement celebrated the special and top awards for year 13. Fifteen students received scholarships from tertiary institutions, valuable financial rewards for their endeavour. The final two presentations of the evening were those of Proxime Accessit and Dux, our most prestigious awards. Proxime Accessit was one of our Head Prefects, Shilpan Patel – he was also winner of individual trophies for Literature, Science and Senior Speeches. The Dux of Mount Roskill Grammar School for 2012 is Wesley Yep. His grade point average is the highest achieved in recent years at the school; he has achieved 215 Excellence credits among his 336 total for his three years of study. This year he was 1<sup>st</sup> in Physics, Mathematics with Calculus and Statistics and Modelling. Wesley's achievement, based firmly on resilient and powerful learning, epitomises the spirit of the school.

### **SCHOOL LEADERSHIP – PREFECTS FOR 2013**

Our senior students Prefect leaders were chosen earlier this term and they will take up their roles from the start of 2013 when they will take part in the powhiris to welcome new staff and students to the school. These young men and women have been selected for their qualities of character, positive modelling participation and support for the school. They will join with our other student leaders of houses, peer support, mediation etc. in making next year another one of powerful learning and active citizenship at Roskill. They will be formally announced to the school and receive their badges and ties in a special assembly at the start of term one; but their journey of responsibility has already begun with a three day team building and leadership camp organised by the year 13 Academic Deans. We look forward to their positive input throughout 2013.

### **WORLD VISION PROJECT – YEAR 10 FABRICS CLASS**

As part of our continuing commitment to supporting wider communities the students in Ms Shearer's Year 10 Fabrics class have been making fabric dolls by hand to be taken to children in Papua New Guinea as part of a World Vision project. The carefully made and beautifully coloured dolls will bring a symbol of hope to the children who live in poverty and rely on the inspiration and support of charities.

## **YWCA 2012 FUTURE LEADER OF THE YEAR**

At the YWCA Future Leaders Graduation Ceremony on 5<sup>th</sup> December Worknesh Dinkayehu a year 13 student at our school was named YWCA Future Leader of the Year. This prestigious award was in recognition of her constant commitment to other people and her community in general. Worknesh has been part of the YWCA Young leaders programme for the past 4 years ever since she was in year 10. At school she has been involved in mentoring and mediation, has worked as a translator for new refugees in the community, and she has also done voluntary work at a local rest home. Worknesh has also been a speaker at the YWCA national forum and is part of the think tank group 'Superwomen Voice 2 Empower'. She also spoke at a fundraising lunch during Fashion Week, helping the YWCA to raise almost \$10,000.

Mount Roskill Grammar had 7 graduating Future Leaders at the ceremony and another cohort is currently going through the school. Next year another group will be selected for the scheme from the year 10 cohort. Also at the ceremony Chenda Mulonda, was recognised for her contribution to the Programme. The YWCA Future Leaders Programme aims to develop and support passionate young women to become leaders and role models in their communities. Mount Roskill has been lucky enough to have been with this programme since 2005. Since it began in 2002, Future Leaders has mentored over 225 young women from 16 schools. These students represent over 20 ethnicities.

## **EASY CHRISTMAS SHOPPING**

Easy Christmas shopping – plus win up to \$500 for you and \$500 for MRGS.

Shop, save money, save time and raise funds for your school.

Simply go to [www.yourfastshop.co.nz](http://www.yourfastshop.co.nz), select Mt Roskill Grammar School and start browsing for Christmas presents.

- No queues, No parking problems, No aching feet!
- Save on petrol costs.
- Over 60 online stores to choose from including electronics at Apple, fashion at Ezibuy, books at The Nile, toys at Mighty Ape and so many other gifts.
- Your shopping is dealt with directly by your chosen online store.
- Please go to [www.yourfastshop.co.nz](http://www.yourfastshop.co.nz) to see how you could win up to \$500 for you and MRGS. We also automatically provide extra funds to your school.
- Treat yourself to easy shopping and help your school this Christmas.

## ASB BANK SUPPORT FOR THE SCHOOL

ASB bank Mt Roskill Branch is offering to donate \$250 to the school for every new home loan drawn down by a Mount Roskill Grammar parent or staff member. See details below.

### ASB is proud to support Mt Roskill Grammar

If you're a staff member or the parent of a child at Mt Roskill Grammar simply present this voucher when you talk to us about an ASB Home Loan and when your loan is drawn down, we'll make a donation to the school.

## \$250 donation to Mt Roskill Grammar

For every new ASB Home Loan drawn down by a parent or staff member of your school.

This offer is only available through ASB Roskill Branch for any loan amount of \$150,000 or more. The offer ends on 30 December 2012.

**ASB**  
Creating Futures

**Make a good move today.**

If you'd like to take up this offer, or chat about your banking in general, just drop by or give us a call.

ASB Roskill Branch  
Karl Burris 021-249-1935  
Branch Manager, Phone DDI 337 2096

ASB Bank Limited's Personal Banking Terms and Conditions apply and are available from any branch of ASB. ASB home loan criteria apply. A loan processing fee of up to \$400 may also apply to home loans. This offer is available until the close of business on 30 December 2012 and all loans must be drawn down and the voucher presented before that date. Only one voucher per person. Personal customers only. Present this voucher directly to ASB Roskill Branch. Donations will be made by ASB to the school on the printed voucher.

## IMPORTANT DATES FOR YOUR DIARY
