## FROM THE PRINCIPAL'S DESK

Nga mihi nui ki a koutou

Our senior students have recently completed practice examinations. These exams allow students to gauge their progress and to grapple with the complex task of organizing a revision programme, using their time productively. At assembly in the final week of term I talked about what needed to happen before, during and after this study break:

### Know the task

Students have been using the last week of term to identify exactly what needs to be revised over the study break taking note of feed forward from teachers.

### Work hard, play hard

The study break needs careful planning to ensure there is time for refreshment, revision and meeting family responsibilities.

### Stay until the job is done

On return to school every senior student will be working towards the best possible external grades and some will be required to complete the necessary learning for internal standards. We are very serious about all students finishing strongly and achieving well in 2013.

During the term cabling has been laid throughout the school and into every classroom as part of the School Network Upgrade Project (SNUP). This \$1.2 million project largely funded by the government will be completed early in term 4. At the same time we have recently connected ultrafast broadband. Combined, the two projects will result in a big change in the capacity of our network to support learning. During next year we will be working towards using tablet devices with the aim of further shifting student learning towards authentic and collaborative contexts.

Our fundraising for the redevelopment of the Hockey Turf is proceeding well. Next term the fundraising the Diwali evening (November 1) and the quiz (November 8) will be great opportunities to meet other members of the school community while supporting the fundraising effort. We hope to see you there!

Best wishes for a refreshing and productive break away from school routines.

Ki nga taumata

## MRGS FUNDRAISING FOR THE HOCKEY TURF AND SPORTS PAVILION

The fundraising project for the Hockey Turf Redevelopment and the Sports Pavilion was launched as part The MRGS Diamond Jubilee on Saturday 17<sup>th</sup> August. The Hockey Turf Redevelopment is a \$1.5 million dollar project to upgrade the turf into a water based turf.

The Hockey Turf project development subcommittee consists of Auckland Hockey Association, Roskill Eden and Mt Eden Hockey Clubs and MRGS. This group has already been very successful in obtaining \$400,000 from the Auckland Council Central Facility Partnership Committee.

The new fundraising display board complete with its thermometer is now on display outside the school and will be updated as fundraising progresses

### Where to from here? You are all welcome to get involved in fundraising.

We now have \$1.1 million to raise for the turf. MRGS also has plans to build a sports pavilion which will be located between the Hockey turf and the Rugby fields so we have lots of fundraising to do. The MRGS fundraising committee had its first meeting on the 22<sup>nd</sup> August at the school. If you missed that meeting and still want to get involved please contact Ella Kumar on [Ella.Kumar@aucklandcouncil.govt.nz](mailto:Ella.Kumar@aucklandcouncil.govt.nz) or Judith Bingham [jcl.air@xtra.co.nz](mailto:jcl.air@xtra.co.nz) or Marjet Pot on [potgull@ihug.co.nz](mailto:potgull@ihug.co.nz). We aim to make this fundraising fun so contact us and support your children's school.

If you have fabulous ideas for fundraising or know of companies who may wish to sponsor aspects of the turf or sports pavilion then please contact the above people. We would welcome such calls.

If you wish to make a donation to this project please make this direct to the school office or post to Mt Roskill Grammar School, Frost Rd, Mt Roskill, Auckland 1041

All donations over \$5.00 qualify for the IRD's Donation Tax Credit

## INTERNATIONAL HOMESTAY

We are looking for caring Kiwi homestays to take students in 2014. Families need to provide students with their own room, bed, desk, lamp and heating in winter, along with 3 meals a day.

If you are interested in becoming a homestay parent and live close to the school, please fill in the homestay application forms on our website [www.mrgs.school.nz/international](http://www.mrgs.school.nz/international) or contact Sandra Flessak in the main office.

## MENTORING UPDATE

All Parents of our Year 11 and 12 students are warmly invited to the Mentoring Parent Conference on the **17<sup>th</sup> October 2013**. Your son/daughter's mentor will contact you to make an appointment time for this conference.

This is a very important conference for your son/daughter and we therefore hope you will ensure you can attend to discuss your son/daughter's results from the exams and to ensure we can plan together the next steps for success.

Thank you to all those parents of our Year 11 and 12 students who responded to our survey about Mentoring. The results were very positive and we are pleased to report that most parents found these mentoring conferences very useful. There were also some ideas in the feedback which will help us with our plans for 2014.

Julie Small - Deputy Principal

### YEAR 13 PRODUCTION—'WHEELER'S LUCK'

In the second to last week of term the Y13 Drama students staged their production of 'Wheeler's Luck'. They performed to large and appreciative audiences on two nights. The play, set in a small fictional Wai-kato town, follows the journey of a corporate man from Panmure who moves there in order to turn the town into a new Hamilton. The residents, unsure about the outsider's plans and led by the local postie Murray, become involved in disputes, wagers and some fascinating confrontations as the potential impact of the corporate man's plans become apparent. The conflict between the postie and the corporate man comes to a head in a marvellously depicted running of the town's annual horse race when the fate of the towns reserve land is decided—to be either a nature area or a casino centred economic development. The drama entertained everyone with hilarious dialogue, fantastic small-town fashion and impressive acting. The well-received show was completely run by students for their end of year internal assessment and its success is a tribute to their skill, hard work and the inspiring teaching in the Performing Arts department.

## SCHOOLS TOURNAMENT WEEK NEWS

In the week before Senior Exams four of our Premier teams went to tournament week. This event provides a highly competitive finish to the season for these teams and gives them the opportunity of playing against teams from around New Zealand.

**The Premier Netball team** played in Howick and won 4 out of 10 games. They finished in 21<sup>st</sup> position out of 32 teams, an improvement on last year.

**The 1<sup>st</sup> XI Boys Football team** went to Hamilton for their competition and won 3 out of 7 games. They finished in 14<sup>th</sup> position.

**The 1<sup>st</sup> XI Girls team** played in Papakura and won 5 out of 8 games. They won their playoff match on penalties to finish in 13<sup>th</sup> position.

**The Boys Basketball team** competed on the North Shore. This was the first time the team had entered this competition and they managed to beat teams graded above them and also beat teams they had lost to during the season. They won 4 games and lost 4 games, finishing in 12<sup>th</sup> position, the best result for all of the teams that went on tournament.

## SCHOOL CROSS COUNTRY

After some concerns about potential rain in the days before the weather finally smiled on the school recently and we had excellent conditions for the annual running of the Cross-Country event.

After morning lessons we had an early lunch and then the various year levels changed for this great community event. Students gathered on the hockey turf before being released in year groups to take on the local course through the environs of Roskill. The first group to go was that of the championship event runners who completed the route in fast times.

After this the different groups made their way in a positive afternoon of exercise and rivalry. Many ran the whole course others managed a mixture of running and jogging but they made it back to school in good spirits. Runners in each category gained points for their house and the final house placings were: 1st Yellow, 2nd Orange, 3rd Green, 4th Red and 5th Blue.

In the championship section Brian Dias was first in the Junior boys and

Karishma Kumar won the junior Girls. In the Intermediate section, Abishek Jeevan took first place amongst the boys and Victoria Mulrennan took first place in the girls. The Senior Boys championship was won by DeMaio Bury Vilela and Vandhana Tularam gained first place in the Senior Girls after a close finish with Cherie Walpole, Vandhana winning by 1 second.

## SCHOOL CHESS NEWS

Our school chess teams have had their most successful year ever. Five MRGS chess teams have battled throughout the year against other secondary schools around Auckland in the NZ Chess Federation competition to see who the Auckland Champions are. After playing over 140 games up to two hours long, our Senior and Junior teams both qualified for the Auckland Finals. Our Second Division senior team missed qualifying by just half a point. Our Senior team finalists of Kalyan Todha, Kashyap Choudhary, Nicholas Power, Vali Fa'aea placed 4<sup>th</sup> after 3 days of pitched battle. Also our Junior team of Joshua Simmons, Elvin Zhang, Max Wu, Shinay Singh and Cathy Fan defeated Auckland Grammar School's top Junior team – a portent for the future.

We also competed in the faster paced 30 minute games organised by ChessPower and we won our first tournament in West Auckland in April, which gave us a place in the National Finals. Top players who received medals were Kashyap Choudhary, Eric Chow, Nathan McDougall, Shinay Singh, Max Wu and Sehej Juenja, as well as the top girl in the tournament, Stella Xu. The MRGS team won the South Auckland regional ChessPower tournament, narrowly defeating Papatoetoe High and Rosehill College. Top players were Kashyap Choudhary, Daniel Morrin, Zi Yuan Tee, Nathan McDougall and Eric Chow.

Then on 11 September we attended the ChessPower National Finals. This was a tense battle through the first eight rounds which took us to 4<sup>th</sup> place. But a superb performance in the final round saw us see off Nelson College, Papatoetoe High School, St Andrew's College (Christchurch) and our old rivals Christchurch Boys' High School, to take second place behind our arch-rival Auckland International College. The names and reputations of these schools is a reflection of the high quality of the competition.

We have been third for the past two years – 2<sup>nd</sup> place is a great achievement, with top players on the day being Eric Chow, Elvin Zhang, Vali Fa'aea and Kashyap Choudhary. We missed our top player Kalyan Todha, who unfortunately had to sit a practical physics exam on that day. The fact we could still achieve such a significant result is a reflection of the strength and depth of skill in our chess team across all the school years. We expect greater results in the future.

We are continuing our school competition to determine our school Junior, Girls, and Senior Champions. Chess players meet every lunch-time in E1 for games and training this year and into 2014 – we cater for all levels of chess players from beginners to the experienced. Come along for fun, competition and the chance to represent your school at national level competitions.

## GATEWAY – “ANOTHER FANTASTIC YEAR”

2013 has been another fantastic year for the MRGS Gateway programme. This year we increased the number of placements available to 38 students and we expanded the range of workplace opportunities available. Placements were found in Fashion, Retail, Tourism, Hospitality, Engineering, Pharmaceutical, Commerce, Nursing, Medicine, Sports and Early Childcare. Students achieved NZQA credits and valuable qualifications in their chosen field.

As a result of the success of the programme and the willingness of our students, we are pleased to report that a number of students have been offered positions both full time and part-time.

If you are in Yr13 next year, application forms for 2014 will be available shortly. Keep an eye out on the daily notices.

**If you are a business and would like to offer a life changing work experience opportunity for a year 13 student in your company in 2014 or you have any questions regarding the programme, we would love to hear from you!! Please contact [gateway@mrgs.school.nz](mailto:gateway@mrgs.school.nz)**

## MANGERE/MANGERE BRIDGE STUDENTS: BUS SERVICE

**Kiwi Coach Charters** currently offer a bus service from Mangere/Mangere Bridge to other schools in our area.

If enough students are interested from MRGS and Mount Roskill Intermediate they will arrange a bus to come to the Mount Roskill campus and are open to tailoring the route to suit our students.

The current cost is \$30/week (\$1260/year) or you can pay termly. The cost may increase slightly in 2014.

They have allowed for on average one "non-ride" per week due to sickness, sport or school activities.

If you are interested please contact Kiwi Coach Charters directly [info@kiwicoachcharters.com](mailto:info@kiwicoachcharters.com) or phone them on 09 636 5232.

## SECOND HAND UNIFORM:

As we come towards the end of the year there is an opportunity to sell your uniform using a community based system.

There are small advertising cards available in the Deans' Centre.

Write what you have to sell and your contact number on the card.

The card will be placed in the Deans' Centre window by a designated prefect.

The cards will be removed after three weeks.

This is a community run initiative and the school is not responsible for any handling of money.

## PHOTOGRAPH ORDERING

Photolife now have the MRGS photos for teams, cultural groups, prefects, mediators up on line for students and their families to view and then order. Ordering on-line provides families with a more direct link to the photographs available.

Each student who is a member of any of the above listed groups has been issued with an information slip in form time which includes a 'Shoot Key' code. The instructions for accessing the photographs and ordering them by using the code are on the slip. The shoot key code provides security so that the photos cannot be accessed by everyone. It is therefore important that this code is not shared. There is a free delivery period of three weeks available and this date is shown on-line when the photos are viewed.

For families who are not able to order on line please contact Mardia Te Whiu by phoning 09 621 0050 ext 852. Julie Small, Deputy Principal

## SAFE PARKING AROUND THE SCHOOL CAMPUS

### Park safely and keep our kids safe

Our school is participating in Auckland Transport's 'Safety at the School Gate' programme. Drivers who stop in the wrong place to drop off passengers put the safety of children at risk.

Parking officers will be on patrol outside the school this term and will be issuing tickets to drivers who park illegally.

**The agreed approach is 'zero tolerance'** – There will be no warnings issued, you will receive a ticket if you are double parked, parked on yellow lines, or over someone's driveway – or for any other vehicle safety offence.

**Please park legally to keep our children safe and to avoid being ticketed.**

## Park safely outside schools

Before and after school is a busy time for everyone. Parking rules help protect our children and keep them safe. Drivers who park illegally put our kids at risk.

This term parking officers will be on patrol outside your school to issue tickets to those who are illegally parked.

### Fines for illegal parking include:

- |  |      |
|--|------|
| • Parked on the footpath or grass verge/ berm  | \$40 |
| • Parked across or within 1m of a vehicle entrance   | \$40 |
| • Parked within 6m either side of an unmarked bus stop                                     | \$40 |
| • Parked within a marked bus stop  | \$60 |
| • Parked within 0.5m of a fire hydrant with no one in the car legally capable of moving it | \$60 |
| • Parked within a designated bus lane, transit or cycle lane                               | \$60 |
| • Parked on a clearway   | \$60 |
| • Double parked  | \$60 |
| • Inconsiderate parking to other road users, including pedestrians                         | \$60 |
| • Parked on or within 6m of an intersection  | \$60 |
| • Parked on a pedestrian crossing  | \$60 |
| • Parked on a broken yellow line   | \$60 |

*These parking offences are detailed in the New Zealand Road Code.*

Thank you for your cooperation.

## Visual Arts Department and Pah Homestead Community Day

Students and staff from the Visual Arts Dept of the school will be exhibiting work and participating in the Pah Homestead Community Day. It promises to be a great celebration of Puketapapa's/Mt Roskill's cultural, creative and community heritage. The exciting community day includes art displays, cultural performances, music, creative demonstrations, cultural workshops, storytelling, face painting, art quizzes, Ki-O-Rahi, a chocolate spray gun demonstration and much more.

Pah Cafe will be open : \$1 per a hot beverage purchased goes towards a Mount Roskill Grammar School student art prize. We hope that members of the school community will support the day—details at:

<http://www.aucklandcouncil.govt.nz/EN/newsevents/culture/events/Events/Pages/pahcommunityday.aspx>

## UNITED NATIONS INTERNATIONAL DAY OF PEACE

On Saturday 21 September, four of our Mediators represented MRGS at the United Nations International Day of Peace in Auckland highlighting the importance of “Education for Peace”.

A range of Peace experts attended, including the Peace Foundation, Auckland City Councillors, Church Reverends and Peace activists. Our Mediators, Diana Qiu and Ayesha Nadat spoke passionately and eloquently about what peace means for them and our youth. Their heartfelt words touched the audience giving them hope for the future.

Saale and Fotu Ilaua sang brilliantly our winning Peace song from last year “A Brighter Future”, written by Saale.

The MC of the day, Gerald Trass ( a past student of MRGS) said after our school’s performance: “ The MRGS motto is SURSUM ‘to the heights’ and the MRGS performances have certainly done this today”.

## WIDER EDUCATION YEAR 9 AND 10 - WEDNESDAY 4<sup>TH</sup> – FRIDAY 6<sup>TH</sup> DECEMBER

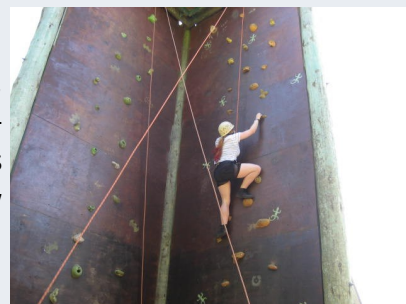

Wider Education is a tradition at MRGS which is an opportunity for students to be involved in valuable learning activities that are based outside of the classroom. Students will be challenged by new experiences, make new friends, learn new skills while having fun completing a wide range of activities.

Year 9 trips comprise of day trips that are based around the Auckland area, while Year 10's are expected to attend a camp or a three day trip programme.

This year the trips and camps cover a wide range of activities and venues, and although there is a cost associated with each activity we have endeavoured to keep these to a minimum. A deposit of \$25 for day trips and \$50 for residential trips is needed to secure placement, which is now overdue. Final payments are to be made by 30<sup>th</sup> October.

For more information please refer to the hand out given to students by Form Teachers earlier this term, or the school website.

Ms. L Leman

## FOOD AND HOSPITALITY DEPARTMENT

During the Term Three exam cycle our senior Food and Hospitality students hosted functions/cafes:

11 Food and Hospitality put on a Hot Finger Food and Mocktails function and students each invited a teacher. They made a range of hot finger foods and mocktails from the units they had been working on this term.

12FHS ran two High Teas Cafes. They developed and made their own selection of cakes and hot and cold sandwiches. Teachers enjoyed choosing their own selection of treats and being served a variety of teas such as rosehip, liquorice, hibiscus and Japanese genmaicha.

13 Food and Hospitality have been working on integrated units on Food Safety, Knife use, Salads and Grilling. They ran a Salad Bar which was enjoyed by a number of teachers.

13 Catering and Hospitality worked under pressure to produce a variety of baked products for presentation in a lead up to their Level 3 summative practical assessment at MIT.
