Welcome

TO MOUNT ROSKILL GRAMMAR SCHOOL

When students join Mount Roskill Grammar School they become part of a close knit family that can trace its history back over 65 years. The vision for our students is for them to become successful and powerful learners, equipped with the attitudes, qualities and qualifications to excel. Our learning community and family ethos encourages belonging and aspiration. Our commitment is to each student's wellbeing and success.

Excellence in learning is our top priority. Our teachers are experts in their subject and skilled facilitators of learning using the most current teaching methodologies and meaningfully integrating technology into their lessons and assessments. Mount Roskill Grammar School students have consistently gained many outstanding scholarships. Over the last five years students have received an average of over 50 scholarship awards, significantly exceeding national averages. They also excel in NCEA well in advance of national averages.

Successful learning is built on trust and mutual respect. The quality of the relationships within our school and wider community are pivotal to our success. Our school is a warm, vibrant and caring community in which students can become positive, effective citizens who have the capacity to lead.

Our core values guide expectations for our school community. We expect each student to show respect for others, to value and celebrate diversity, to develop a can-do attitude and participate in all areas of school life. A wide variety of co-curricular activities provide opportunities for students to develop qualities of character that enable excellence in learning and participation as active citizens.

We look forward to acknowledging and celebrating students who have excelled in one or more of these values, through the presentation of values badges at the end of this term.

The motto of our school is 'Sursum', which echoes the phoenix in our logo and translates as "to the heights". When students leave Mount Roskill Grammar School they do so with the personal qualities and capabilities that enable them to continue to be successful learners for the rest of their life and the qualifications and attitude to take them to their own heights.

We look forward to meeting you in person and to begin to build the partnership with our school of which we are incredibly proud.

Kind Regards,
Greg Watson, Principal

VISION

Our students will be successful, powerful learners who are active and responsible citizens.

MISSION

In a safe, supportive environment Mount Roskill Grammar School will provide learning opportunities for each student to strive for excellence, realise their personal potential, and develop understanding of social responsibility and respect for individual and cultural differences.

MOUNT ROSKILL GRAMMAR SCHOOL

At Mount Roskill Grammar School we take pride in behaving in a way which brings credit to ourselves and our school.

These values are underpinned, enhanced and enriched by the values of:

- **Manaakitanga** demonstrating respect and responsibility by uplifting the mana of each person, through empathy, tolerance and celebration of diversity.
- **Whanaungatanga** demonstrating participation, leadership and service through working with others and making good connections within our community.
- **Tūmanakotanga** demonstrating aspiration, high expectations and excellence, through a growth mindset, creativity, commitment and resilience.

SURSUM

Manaakitanga
 Demonstrating respect and responsibility by uplifting the mana of each person, through empathy, tolerance and celebration of diversity.

Whanaungatanga
 Demonstrating participation, leadership and service through working with others and representing our school with pride.

Tūmanakotanga
 Demonstrating aspiration, and excellence, through a growth mindset, creativity and resilience.

Welcome

Successful Learners

We encourage everyone to be a successful learner with the ability to understand how to develop skills and extend their knowledge. Our students will gain an awareness of their own learning processes and the resilience to progress towards achievement and qualifications.

Our successful learners are empowered by:

- Learning pathways which align with their abilities
- Highly qualified teachers who are responsive to individual needs
- Formative and scaffolded interaction to lead them through the successive stages of their learning
- Feedback and next steps information to ensure progress and understanding
- Rich, authentic and collaborative learning contexts to advance their creative and critical thinking
- A supportive learning environment which encourages excellence
- Digital learning platforms are utilised for learning across all year levels

Students are expected to bring their own device as a tool for learning.

Learning Opportunities

ADVANCED LEARNING PROGRAMME

Two Year 9 classes follow an advanced learning programme in their core subjects. These classes are exposed to increased challenge in a wide range of learning contexts and the opportunity to work towards the accelerated Year 10 programme in Mathematics and Science. The accelerated learning of these students in their junior years enables them to take a broader range of subjects in the senior school.

MENTORING

All staff support our mentoring programme which:

- Helps senior students track their progress and achievement
- Develops positive learning relationships between teachers, students and their families
- Guides students to set and achieve their learning goals
- Assists students to plan for their future
- Enable students to have agency in their learning

Teachers, as mentors, meet with their students, to ensure they have the best opportunity to achieve positive learning outcomes. Parents are invited to attend conferences during the year to strengthen this learning partnership.

LEARNING EXTENSION

The Learning Extension Department provides a range of support for students at MRGS. They deliver the Literacy Programme to targeted junior classes to accelerate reading comprehension and provide in-class support to assist student's access to the curriculum. The department provides academic and practical support to students with moderate learning needs. They also deliver a range of programmes to those students at risk of not achieving to their potential.

HOMEWORK CENTRES

Homework consolidates classroom learning and encourages students to plan and take responsibility for their learning. Students are encouraged to attend Homework Centre when it suits their learning needs. The Library is open after school for all students and a number of Homework Centres operate in the afternoon or evening in a range of mother tongues.

MUSIC TUITION

Music tuition is available across a wide range of orchestral and band instruments as well as voice. String orchestra, concert, rock, brass and jazz bands in addition to chamber groups and vocal groups all rehearse and perform regularly, with the opportunity to compete at local and national levels.

Year 9 Curriculum

In year 9 students follow compulsory courses in the key learning areas. These courses are separated into both whole year and termly core subjects with additional option courses. This Curriculum aims to provide a platform for future learning and the opportunity to begin to personalise learning pathways.

Academies

See Academy booklet for further information.

Our Academies are a cornerstone of the school's pursuit of excellence in sporting and cultural areas. They encourage 'passion-led' learning which complements the core elements of our curriculum. Each student follows academic courses but their timetable is supplemented by three hours of specialist support within their chosen academy discipline. In each academy they grow key capabilities, skills and expertise while exploring and extending their potential.

Students are timetabled into their academy during the week. The timing of 12 months across two years enables growth to occur over the second semester through pre-season training into the Year 10 academy and high level performance the following year.

FOOTBALL ACADEMY

The academy develops football players technically, tactically and physically while supporting academic success and engagement through an extensive reading writing and thinking curriculum taught 'through the lens' of football.

RUGBY ACADEMY

The academy work promotes understanding of the techniques and technicalities of the game in addition to a focus on personal fitness and nutrition. Students develop both their personal and rugby skills while being expected to participate in a school team. Work on literacy and numeracy will take place as part of the programme to support their classroom studies.

HOCKEY ACADEMY

Integrating with their regular studies, our hockey academy students not only learn advanced skills and tactics but also personal health and physical development. The goal is for these students to become our elite athletes.

PERFORMING ARTS ACADEMY

In a course that develops our most passionate young performers, students will improve their dance and drama repertoire through a focus on technical and performance skills. Students will perform in multiple events, experience several trips to see performances and have the opportunity to work with professionals from the local Performing Arts industry.

Academic Programme

Year 9

The Year 9 curriculum provides a sound platform for future learning together with the opportunity for students to shape their programme towards their learning passions. All students take compulsory courses in the key learning areas. These courses are either whole year or termly. All students also select from a range of options in the Arts, Languages, and Technologies. Some students will be selected to take part in Academies as part of their 'passion' learning.

Academies

In Year 9 students can be considered for a sports or performing arts academy. In all academies students follow a full academic course of study as well as receiving three additional specialist lessons a week.

Year 10

All students continue studying a core of five subjects: English, Social Studies, Mathematics, Science and Physical Education. In addition they make choices from a wide range of subjects. The courses for the subject choices may last for a semester or a full year. All students in Year 10 work towards a junior diploma and attempt some NCEA internally assessed standards in English, Science and Mathematics. Some students may continue learning through an academy in the 1st semester.

Year 11

All students take English, Mathematics, and three or four other subjects. Most students will study at NCEA (National Certificate of Educational Achievement) Level 1 on the National Qualifications Framework.

Year 12

All students take English and four or five other subjects. Entry to Year 12 courses is based on results achieved in Year 11 with Heads of Departments having discretion in borderline cases. The entry requirements are detailed in the Academic Programme available on the school website.

Year 13

All students take five subjects designed to fit their learning needs. Entry requirements to Level 3 are detailed in the Academic Programmes. High achieving students are encouraged to enter the Scholarship examinations and exceptional students may study concurrently at the University of Auckland.

The Academic Programme is available on the school website at www.mrgs.school.nz

Scholarship

Year 13 students are encouraged to enter the New Zealand Scholarship Examinations to join the long list of successful scholars at this level.

Active Citizens

We develop active citizens with the personal qualities of respect for others, sensitivity to diversity and difference, commitment to participation and a desire to work for the good of the community.

Our active citizens are nurtured by:

- A partnership of form teachers, Houses and families to foster good routines and clear expectations of behaviour
- An orderly and ethical environment supported by restorative practices
- A range of activities, challenging students to use and develop their social and personal competencies
- Daily opportunities to achieve positive interactions and outcomes in learners' lives

We have an active sports and co-curricular programme which encourages the extensions of skills and respectful competitiveness. Our daily life also presents students with opportunities for service and leadership whether in class, in their House or in the wider community. In this way they can aspire to take their place as family members and citizens in the world with confidence and pride in their contribution.

SPORTING EXCELLENCE

The school's sports programme takes two pathways – excellence and participation. We have many outstanding coaches willing to go the extra mile for our students and achieving some great results in the process. With every sport we also offer teams for those students who wish to play with their friends as well as develop their skills.

Students are encouraged to participate in a wide range of extracurricular activities with the aim of balancing their academic work with a physical outlet in the sports domain. We are well supported with excellent facilities including three gymnasiums, a fitness centre/weights room, a hockey turf, an outdoor pool and playing fields.

With over 30 sports codes offered playing in Auckland-wide competitions there are opportunities for most to be involved. MRGS looks forward to the annual Sports Exchanges with Mahurangi College and Pukekohe High School as well as other visits from overseas schools during the year.

In recent years Mount Roskill Grammar School students have been champions in Badminton, Football, Gymnastics, Hockey, Orienteering, Rugby, Touch and Trampolining. We also get numerous students earning selection in regional and national teams including Football, Hockey, Badminton, Lacrosse, and Tag Rugby.

CULTURAL OPPORTUNITIES

Students celebrate the diversity of their backgrounds and interests by participating in:

Māori and Polynesian Cultural Festival

Various ethnic cultural groups have represented the School with credit in the annual Maori and Pacific Island Cultural Festival and in other community events. Our Kapa Haka is also an integral part of school ceremonies, leading Powhiri for new students, sporting exchanges and performing at special events in the school calendar.

Music Performance

There is a strong performance culture in the school with regular appearances at assemblies and involvement in several competitions such as KBB Band and Orchestral Festival. Pacifica Beats, Rockquest Bands, Stand Up Stand Out talent quest as well as vocal groups' involvement in community events, presentations and competitions for Boys' Barbershop and Choir.

Drama

Participation by students, whether it be acting or technical, is encouraged. Theatresports and other performance opportunities are available within the school as well as the opportunity to see professional theatre.

Dance

There are a variety of different dance events such as, Bring it On high School Rockers, YouDance and Polyfest. These events are open to all students. A wide range of dance styles are available for student participation from beginner to advanced levels.

Debating

Junior, Senior and Advanced teams compete in after school competitions where thinking, public speaking and teamwork come together.

LEADERSHIP OPPORTUNITIES

A significant number of opportunities are provided for students to develop their leadership skills. As well as in the classroom students at all levels can take on leadership roles.

House Captains, Sports Captains, Student Health Councilors, Peer Tutors, Academic Mentors, Peer Support Leaders, Mediators, Guides, Sports Councillors, Multi-cultural Group Leaders, House Committee members, Peer Sexuality Support Leaders, Body Image Leaders, Live for Tomorrow and YWCA Future Leaders all contribute and give worthwhile service to their fellow students.

Each year a group of Year 13 students are chosen as Prefects to lead the school. They are selected on three main criteria:

- Leadership skills
- Quality of character
- Support for the School and participation in school activities.

Once selected the Prefects undergo further specific training for their important role.

Organisation

Student learning is organised through departments, led by Heads of Department and supported by Academic Deans. Junior students are arranged in mixed ability classes within houses with the exception of two Puketāpapa Advanced Learning classes. The progress of each student is monitored by their Form Teacher, House Deans and Career and Guidance Counsellors also oversee the pastoral care of students.

The Senior Leadership Team is:

Principal Mr G Watson, MSc(Hons), MEd Admin(Hons)

Associate Principal Mrs J Tupaea, BDes, MEd

Deputy Principal Mrs K Collins, BA, PGrad Ed lead

Deputy Principal Mr D Pemereka, MEd(Hons), MMgt

Deputy Principal Mr R Johanson, BEng (Hons)

Deputy Principal Ms R Donald, BFA, GradDipMultimedia,

Deputy Principal Mr C McGirr, BSc

Deputy Principal Mr C McGibbon, BPE

Deputy Principal Mr D Dix, BSc (Hons)

Student Support

We provide a structure of form teachers and Houses which in partnership with families foster good routines and clear expectations of behaviour within an orderly and ethical environment supported by restorative practices. We engage students in a range of activities, challenging them to use and develop their social and personal competencies to achieve positive interactions and outcomes.

HOUSES

The School is divided into five Houses to provide students with an identity in a large school. Each House has three Deans who supervise house activities and set expectations of student behaviour and habits of learning and provide pastoral and academic support, welfare and guidance. House assemblies are held fortnightly and inter-house events are arranged during the year in activities such as volleyball, basketball, netball, athletics and swimming. Through their houses students are also encouraged to be of service to the wider community by fundraising for charities.

House Deans

Cooper House: Mr H Reweti, Mrs J Palmer, Mrs F Burns

Hillary House: Mr C Overton, Mrs A Kumar, Mrs S Singh

Ngata House: Miss S Fraser, Mr D Garraway, Mr K Hays

Rutherford House: Mr D Syme, Ms L Bates, Mr J Coker

Sheppard House: Mr C Chellew, Miss K Manase,
Mr C Buckley

VERTICAL FORMS

There are 15 form classes in each House. They consist of fewer than 30 students. Form classes also meet for learning capability sessions. A student remains in the same form class for the duration of their time at the school.

SUPPORT SERVICES

Guidance

Students can self-refer to our Counsellors for support. All Counsellors are members of the New Zealand Association of Counsellors and abide by its code of ethics.

The Counsellors are:

Ms Margaret Hoogendoorn, Ms Donna Hourigan-

Johnston, Ms Rose Jenkin, Ms Tara English

Ms Michelle Parkinson

HEALTH

The school has three fully qualified nurses and an on-site part-time doctor and physiotherapist. The nurses oversee the health and wellbeing of students, administer medication to them by arrangement with parents, and liaise with parents, dentists and the Public Health Nurse as the need arises.

CAREERS

Students have access to a powerful resource in the Career Department. The Career Counsellor, Miss Ann Hodge, provides resources for students' career planning as well as encouragement and support for students in the development of their own career exploration skills. Students of all levels have access to the service available from the Career Counsellor.

These include in-depth one to one career exploration interviews, assistance with option choices and job search access to course and career information and access to industry and tertiary professionals.

Students wanting a career appointment are asked to contact the career counsellor at the school.

EXPECTATIONS

At MRGS we take pride in behaving in a way that brings credit to ourselves and to our school. Our expectations of behaviour support the core values of Excellence, Responsibility and Respect.

The formal details of uniform and behaviour expectations are available with this prospectus and on our website: www.mrgrs.school.nz

International

Mount Roskill Grammar School warmly welcomes International students at all levels.

An excellent ESL department

Our excellent ESL department allows students to improve their English before moving to mainstream classes. Once there we have an extensive subject range and can help with subject choice and career advice.

A major emphasis on Student Support

Accommodation and student support are all organised by the International Department. Students take part in an orientation programme assisted by student leaders and experienced staff. Emergency help is available 24/7.

For information about being a homestay parent, or for fees, visit our website or contact the International Department international@mrgs.school.nz or come in and see one of our staff.

时间在不知不觉中流逝，转眼间我即将离开这所教育了我三年的学校。我在MRGS这所学校学到很多，它给了我一份家的温暖，带给我欢乐。三年来，同学的帮助，老师的教育，让我这个异国他乡的孩子慢慢从刚开始的陌生到现在的即将毕业的不舍。这将是我永远无法抹灭的记忆。我要感谢这所学校，感谢这里的老师，感谢这里所有的一些。我非常自豪我是MRGS的一员。
