

November 2019: Week 5, Term 4

From the Principal

We are in the midst of the Year 9 and Year 10 final exams. This year we have dispersed the assessments over five school days during lesson time enabling teachers to have on-going conversations with students about the art of preparing for higher stakes assessment. It was fantastic to have about 150 students choose to remain after school one afternoon to prepare for the English assessment last week – that attitude from students is especially rewarding for teachers!

In the weeks following, our learning programme broadens. Firstly, in week 7 the junior school will have a shared focus on the idea of 'fake news' – exploring facts, interpretations, stories and myths across the curriculum. Secondly, in week eight the Wider Education programme offers students the opportunity to explore a range of outdoor activities, on camps, day trips, and in-school events. There is lots to learn during this week, which is a school year highlight for many.

We look forward to seeing as many of you as possible at the Junior Prizegiving on December 6.

Greg Watson, Principal

Board of Trustees

Government Donations Scheme

From the beginning of 2020 we will no longer be seeking donations or fees for compulsory curriculum materials or day trips. The Board of Trustees has opted into the government scheme, which provides the school with \$150 per student with the proviso that donations and fees are not requested to support the compulsory curriculum. The amount to be funded by the government is less than the fees and donations previously collected by the school, however, this scheme is tremendous for so many students and their families, removing a potential barrier to learning.

We will be very clear about what component of education experiences are government funded, and which ones are the optional extras that we need your support to provide. We will also be looking to adjust our practices, finding additional ways to provide cost effective learning resources.

Thank you to families who have supported the school with donations over the years.

Marjet Pot, BoT Chairperson

Measles Alert Continues

While the number of measles cases is declining, the virus is still circulating in Auckland school communities. Unvaccinated students exposed to measles may need to miss NCEA and other exams. MMR vaccines have been prioritised for anyone under the age of 30 and teachers under the age of 50 years.

Measles during exams

Measles can stop students sitting exams and taking part in end-of-year activities.

If students get measles they may miss NCEA and other exams.

Their friends and classmates may also have to stay away from exams, if they have not had a measles vaccination.

Doctors will vaccinate your young person for FREE.

Do it now, so measles doesn't interfere with exams, sports, camps, activities or holidays.

Be aware of measles symptoms:

- Fever
- Runny nose
- Sore red eyes
- Cough
- Rash

For advice, call your doctor or Healthline (0800 611 116)

2019 Senior Prizegiving Speech – Head Boy 'Isope 'Akau'ola

Malolo is a Tongan word that means 'to rest', the first four letters of Malolo, M A L O is Malo which means 'thank you'. These two words are extremely important as tonight, I formally rest my journey here at Mt Roskill Grammar School. But before that I have to honour those who have shaped me to become the person I am, for I would be nothing without them.

To my parents, Fisioko and Uilameti Akauola, Malo. You two are the epitome of love, of courage and of sacrifice. Courage is leaving your home in Tonga in search of a better life in an unfamiliar country where you had to learn to speak the language. Sacrifice is the tiresome

night shifts, the times where you wouldn't eat and the times you continued to smile when things were tough. All the sacrifices that you have made for your children have not gone unnoticed and we will forever be in debt. **Oku ikai ha lea feunga ke fakamalo ki moua he mou ofa mai ki au.** My life is a product of their tears, their strength and of their prayers and there isn't enough words to express my gratitude for the amount of love they pour into me. You two have always taught me to move through life with a humble heart, to always give thanks, to honour those around you and today I shall continue to do that.

To my Performing Arts teachers, Miss Caitlin Thompson, Ms Emma Gillies and Miss Kerrily Aitchison, Malo. They say it takes a village to raise a child and you three are my village away from home. You three have created a space in school where all students can feel as safe as they feel at home. I thank you three for gifting us with a platform to articulate our thoughts and to let our voices be heard. You three are empowering women. I thank you for continuing to believe in me and I thank you for spending your holidays and weekends with me just to make sure I complete my work. I don't deserve the time and the effort and the love and support you three pour into me. I appreciate you three so much.

And last but not least to my school, Mount Roskill Grammar, Malo. Journeying through Roskill has been a beautiful and fulfilling experience and I stand before you with a full but sunken heart. I walked through those doors on my very first day not expecting to be at the position I am at this moment. Mr Watson, Senior Leadership Team and Mr Cornes, thank you so much for appointing me with such a prestigious role, I am extremely humbled.

Mount Roskill Grammar School, you have gifted me with the best family and the best memories. To all the students in front of me, I can't stress this enough but cherish your time here. Cherish the times where you can walk to school with your best mates, cherish the time where you all chip in for a feed from the lunch bar, cherish the times you buzz out when you learn something new in class and cherish the relationships you form with the world's most hardworking teachers. Ms Krieg, Miss Manase, Miss Mackinlay, Mrs Collins, Mrs Kumar, Ms Haddock, Mr Overton and Mr Cornes, Malo.

Mount Roskill Grammar, I thank you as you have gifted me with the Roskill Heart. The heart to serve, the heart to stand up for others and the heart to persevere when things get tough. I will take the Roskill Heart everywhere I go.

They say home is where the heart is and my heart is Roskill. Signing out 'Isope 'Akau'ola, your headboy for 2019 - Malo.
