Alert Level 4 Update

The government has confirmed that Auckland will remain at Alert Level 4 for two weeks, with a review to be held on this status on Monday 13 September.

This is not unexpected news but does mean that we will continue with online learning for some time.

Please continue to encourage your child to log in daily to complete the attendance check, in addition to them accessing their learning in google classroom.

If students have any queries about their learning they should contact their teacher, the head of department or a dean. If our students need emotional support we encourage them to reach out to our counselling team during school hours or to contact Youthline 0800 376 633 or free text 234 (available 24/7).

Staff will continue to be in contact with students and families on a weekly basis throughout Alert Level 4 so that we can all remain connected.
