Nau mai, haere mai **Welcome to Mount Roskill Grammar School**

Mount Roskill Grammar School has a long history of success, and it is a privilege to be part of this school community as its seventh principal. Students at Mount Roskill Grammar School can expect a safe and inclusive learning environment where diversity is celebrated, and students are supported to reach excellence in a wide range of school activities.

The Roskill Way and our values of Manaakitanga, Tūmanakotanga and Whanaungatanga guide us in respecting others, striving for excellence and creating a sense of family at our school. We value academic achievement alongside developing strong social and emotional skills and want our students to experience the full range of activities that a large secondary school has to offer. This includes our sports academies, cultural groups and the arts.

We build a partnership with our families that starts at enrolment and continues through a student's journey with us. We welcome feedback from our community, and I encourage you to get in touch.

Ngā manaakitanga
Tom Webb, Principal | Tumuaki

OUR VISION

Our students will be successful, powerful learners who are active and responsible citizens.

OUR MISSION

In a safe, supportive environment Mount Roskill Grammar School will provide learning opportunities for each student to strive for excellence, realise their personal potential, and develop understanding of social responsibility and respect for individual and cultural differences.

OUR VALUES

MANAAKITANGA

Demonstrating respect and responsibility by uplifting the mana of each person, through empathy, tolerance and celebration of diversity.

TŪMANAKOTANGA

Demonstrating aspiration, high expectations and excellence, through a growth mindset, creativity, commitment and resilience.

WHANAUNGATANGA

Demonstrating participation, leadership and service through working with others and making good connections within our community.

SUCCESSFUL LEARNERS

We empower each student to be a successful learner with an understanding of how to extend their knowledge and develop skills. Our students will gain an awareness of their own learning processes and the resilience to progress towards achievement and qualifications.

Our successful learners are empowered by:

- A growth mindset which expects success for each learner
- Highly qualified teachers who are responsive to individual needs
- A knowledge rich curriculum
- Formative and scaffolded interaction to lead them through the successive stages of their learning
- Feedback and next-steps information to ensure understanding and progress
- Rich, authentic and collaborative learning contexts to advance their creative and critical thinking
- A supportive learning environment which enables students to explore learning pathways
- Digital learning platforms which are utilised for learning across all year levels

Students are expected to bring their own device as a tool for learning.

YEAR 9 CURRICULUM

The Year 9 curriculum provides a platform for future learning together with the opportunity for students to shape their programme towards their learning passions. All students take compulsory courses in the core learning areas as well as a Tikanga Māori Module designed around our school values of Whanaungatanga, Manaakitanga and Tūmanakotanga. These courses are separated into both whole year and semester core subjects.

All students also select from a range of options in the Arts, Languages, and Technologies, which enable them to personalise their learning pathways. Some students will be selected to take part in Academies as part of their 'passion' learning.

ACADEMIC PROGRAMME

The entry requirements are detailed in the Academic Programme available on the school website (www.mrgs.school.nz).

YEAR 9

The Year 9 curriculum provides a platform for future learning together with the opportunity for students to shape their programme towards their learning passions. See page 04 for more information.

YEAR 10

All students continue studying five compulsory subjects: English, Mathematics, Social Studies, Science and Physical Education/Health. Additionally, they make choices from a wide range of option subjects.

YEAR 11

All students take English, Mathematics, and three other subjects. Most students will study at NCEA Level 1 on the National Qualifications Framework.

YEAR 12

All students take English and four other subjects. Entry to Year 12 courses is based on results achieved in Year 11 with Heads of Departments having discretion in borderline cases. Entry requirements to Level 2 are detailed in the Academic Programme.

YEAR 13

All students take five subjects designed to fit their learning needs. Entry requirements to Level 3 are detailed in the Academic Programme. Exceptional students may study concurrently at the University of Auckland.

SCHOLARSHIP

High achieving Year 12 and 13 students are encouraged to enter the New Zealand Scholarship Examinations to join our long list of successful scholars.

LEARNING OPPORTUNITIES

ADVANCED LEARNING PROGRAMME

Two Year 9 classes follow an advanced learning programme in their core subjects. These classes are exposed to increased challenge in a wide range of learning contexts and the opportunity to work towards the accelerated Year 10 programme in Mathematics and Science. The accelerated learning of these students in their junior years enables them to take a broader range of subjects in the senior school.

MENTORING

All staff support our mentoring programme which:

- Develops positive learning relationships between teachers, students and their families
- Guides students to set and achieve their learning goals
- Helps senior students track their progress and achievement
- Assists students to plan for their future
- Enables students to have agency in their learning

Teachers, as mentors, meet with their students to ensure they have the best opportunity to achieve positive learning outcomes. Parents are invited to attend conferences during the year to strengthen this learning partnership.

LEARNING EXTENSION

The Learning Extension Department provides a range of support for students at MRGS. They deliver the Literacy Programme to targeted junior classes to accelerate reading comprehension and provide in-class support to assist students access to the curriculum. The department provides academic and practical support to students with moderate learning needs. They also deliver a range of programmes to those students at risk of not achieving to their potential.

HOMEWORK CENTRES

Homework consolidates classroom learning and encourages students to plan and take responsibility for their learning. The Learning Hub is open after school for all students and a number of Homework Centres operate in the afternoon or evening in a range of mother tongues. Students are encouraged to attend Homework Centres when it suits their learning needs.

MUSIC TUITION

Music tuition is available across a wide range of orchestral and band instruments as well as voice, string orchestra, concert, rock, brass and jazz bands in addition to chamber groups and vocal groups. All rehearse and perform regularly, with the opportunity to compete at local and national levels.

Our learning hub is at the heart of our school. It is a place to hear and exchange ideas, to enjoy reading and thinking, and to meet with our community.

We develop active citizens with the personal qualities of respect for others, sensitivity to diversity and difference, commitment to participation and a desire to work for the good of the community.

LEADERSHIP OPPORTUNITIES

A significant number of opportunities are provided for students to develop their leadership skills. As well as in the classroom, students at all levels can take on leadership roles across the school.

SCHOOL LEADERSHIP ROLES

House Captains, Sports Captains, Student Health Councillors, Peer Mentors, Academic Mentors, Peer Support Leaders, Mediators, Guides, Multi-cultural Group Leaders, House Committee members, Peer Sexuality Support Leaders, Body Image Leaders, Live for Tomorrow and Netsafe all contribute and give worthwhile service to their fellow students.

SCHOOL PREFECTS

Each year a group of Year 13 students are chosen as Prefects to lead the school. They are selected on three main criteria:

- Leadership skills
- Quality of character
- Support for the School and participation in school activities

Selected Prefects undergo further specific training for their important role.

Our sports and co-curricular programmes encourage an extension of skills, teamwork and the mental strength to perform at a high level.

Our Academies contribute to the school's pursuit of excellence in sporting and cultural areas. They encourage 'passion-led' learning which complements the core elements of our curriculum.

PERFORMANCE ACADEMIES

We aim to support and develop passion for sports and performing arts through teaching dispositions for success and the key capabilities and skills required for the continued pursuit of excellence.

Year 9 students will be able to enrol in a sports performance class and/or a performing arts class for three hours of timetabled specialist lessons per week.

SPORTS PERFORMANCE PROGRAMME

The Sports Performance Programme course encourages students to focus on what it takes to be successful as sports people, to improve their performance and to realise their goals. The course covers a diverse range of topics including developing tactical capabilities, different approaches to skill learning, and understanding the performance improvement cycle.

It is expected that students who selected the Sports Performance Programme will play at least one sport for the school.

SPORTS ACADEMIES

Students are selected for sports specific academies in Year 10, including basketball, football, hockey, and rugby.

PERFORMING ARTS ACADEMY

The Performing Arts Academy course encourages students to improve their dance and drama repertoire through a focus on technical and performance skills. Students will perform in multiple events, have the opportunity to work with professionals from the local performing arts industry, and see live performances by various artists.

SPORTING EXCELLENCE

The school's sports programme takes two pathways — excellence and participation. We have many outstanding coaches willing to go the extra mile for our students, achieving some great results in the process. With every sport, we also offer teams for those students who wish to play with their friends as well as develop their skills.

OPPORTUNITIES AND FACILITIES:

With over 20 sports codes offered, playing all over the Auckland Region, there are opportunities for most to be involved. Students are encouraged to participate in a wide range of co-curricular activities with the aim of balancing their academic work with a physical outlet in the sports domain. We have sport and active recreation opportunities for the competitive and for the social student, no matter what their ability. We are well-supported with excellent facilities, including three gymnasiums, a fitness centre, hockey turf, an outdoor pool, turfed playing courts and grass fields.

SPORTS EXCHANGES AND TOURNAMENT WEEK:

MRGS has annual sports exchanges with Mahurangi College and Pukekohe High School, with our premier sports teams competing against each other. We also organise matches with other schools from outside of the region and have teams regularly attending national and regional tournaments in both Summer and Winter Tournament weeks.

CHAMPIONS AND COMPETITIONS:

In recent years, Mount Roskill Grammar students have excelled in basketball, swimming, hockey, curling, archery and cricket. We have had boys and girls football competing in A1 grades, basketball girls continuing in Senior A grade, basketball boys promoted to Auckland Secondary Schools Premier Grade, hockey boys in the Supercity A Grade, boys' cricket making finals in the A1 competition and swimmers collecting medals at national competitions.

AUCKLAND AND NATIONAL REPRESENTATIVES:

Many of our students have represented Auckland in badminton, basketball, cricket, football, hockey, lacrosse, rugby, and curling and we have had national representatives in badminton, football, and lacrosse.

CO-CURRICULAR OPPORTUNITIES

At Mount Roskill Grammar School, we acknowledge and celebrate many cultural events including Diwali, Chinese New Year, Eid, Matariki and Māori, Samoan, Tongan and Cook Island Language Weeks.

MĀORI AND POLYNESIAN CULTURAL FESTIVAL

Our Kapa Haka, Mana Taiohi, is an integral part of the school, leading pōwhiri to welcome new students and distinguished visitors. They also represent our school at sporting exchanges and perform at special events in the school calendar. Various cultural groups, including Mana Taiohi, Tongan, Samoan, Indian and African groups have excelled in representing the School in the annual Māori and Pacific Island Cultural festival and in community and national events.

MUSIC PERFORMANCE

There is a strong performance culture in the school with regular appearances at assemblies and involvement in several competitions such as the KBB Band and Orchestral Festival, Pacifica Beats, Rockquest Bands, Stand Up Stand Out talent quest, NZCT Chamber Music Competition as well as vocal groups' involvement in community events, presentations and national competitions for Boys' Barbershop and Choir.

DANCE AND DRAMA

There are opportunities for students to perform Drama and Dance works as part of working with professionals in the Performing Arts Industry. Students who opt to take a Performing Arts option have the ability to perform in one of our Showcases, Productions (which have won many Auckland Showdown Awards) or Dance Festivals such as TEMPO and YouDance (for which our school is highly regarded).

INCLUSION AND ADVOCACY

We have strength in student groups supporting others and a range of student led groups advocate for individual, local, national and international change.

DEBATING

Junior, Senior and Advanced teams excel in regional and national competitions where thinking, public speaking and teamwork come together. We are one of the most successful debating schools in the Auckland region, winning multiple tournaments and having several best speaker awards across divisions. In the past two years we have had the top four junior speakers in Auckland, and five of our seven English scholarship recipients were debaters.

CHESS

We are one of the most successful New Zealand schools at chess in regional, national and international competitions. We are the current ChessPower National champions and have won the Australasian Girls Team Championship four times. Several of our students hold the Junior Master title.

We take pride in our cultural diversity. All students are afforded the opportunity to celebrate their diverse backgrounds and interests, representing themselves and their communities with pride, and enriching our school.

INTERNATIONAL STUDENTS

EXCELLENT ESOL SUPPORT

We can provide foundation English tuition for students to improve their English and earn credits before moving to mainstream classes. We regularly assess progress and provide individual timetables with extensive subject choice and career advice.

AN EMPHASIS ON STUDENT SUPPORT

Students enjoy a full orientation programme on arrival, assisted by student leaders. Accommodation and ongoing support are organised by an experienced International Department. Emergency help is available 24/7.

SUCCESSFUL STUDENTS

Our international students have found success and friendship at Mount Roskill Grammar School. They have progressed to tertiary study in New Zealand and many other countries. Many have then started businesses and careers all over the world.

Come and join us!

For fees, homestay or other information visit our website, contact the International Department: international@mrgs.school.nz or visit the on-site International Office.

Điều đầu tiên làm tôi thấy ấn tượng về ngôi trường này là học sinh, giáo viên, nhân viên... họ rất thân thiện. Tôi đã tìm thấy rất nhiều điều, làm quen với bạn mới và đặc biệt là tôi đã nhận ra nền giáo dục khác hơn Việt Nam rất nhiều. Học sinh có thể tự chọn môn học mà họ muốn học, và giáo viên sẽ hỗ trợ, cho học sinh nhiều lời khuyên có ích. Ngoài ra, trường của chúng tôi có rất nhiều hoạt động, câu lạc bộ được phát triển bởi học sinh.

Pham Mai Linh Nguyen, Vietnam

时间在不知不觉中流逝，转眼间我即将离开这所教育了我三年的学校。我在MRGS这所学校学到很多，它给了我一份家的温暖，带给我欢乐。三年来，同学的帮助，老师的教育，让我这个异国他乡的孩子慢慢从刚开始的陌生到现在的即将毕业的不舍。这将是我永远无法抹灭的记忆。我要感谢这所学校，感谢这里的老师，感谢这里所有的一些。我非常自豪我是MRGS的一员。

Tim Zou, China

私はこのMRGSでたくさんの国の友達を作ることができました。そしていろいろな国の文化や宗教なども学びました。学校の雰囲気はとても明るく、私にとってとても貴重で素晴らしい留学生活を送っています。

Akane Kurata, Japan

“Stare a Mount Roskill, è come sentirsi a casa: tutti sono gentili e disponibili nonostante tu sia un complete estraneo ‘overseas student’.”

Alessandro Mauri, Italy

Mount Roskill Grammar School warmly welcomes International students at all levels.

STUDENT SUPPORT

Our school provides students with a House system structure, which, in partnership with families, fosters good routines and clear expectations of behaviour within an orderly and ethical environment supported by restorative practices.

HOUSES

Our students are divided into five Houses to provide them with an identity in a large school. Each House has three Deans who supervise house activities and set expectations of student behaviour and habits of learning, and who provide pastoral and academic support, welfare and guidance. House assemblies are held fortnightly and inter-house events are arranged during the year in activities such as volleyball, basketball, netball, athletics and swimming. Through their houses, students are also encouraged to be of service to the wider community by fundraising for charities.

HOUSE DEANS

COOPER HOUSE:

Mrs J Palmer, Whaea M Fisher, Mrs F Burns

HILLARY HOUSE:

Mrs A Kumar, Miss S Kazemi, L Keall

NGATA HOUSE:

Ms A Williams, Ms K D'Mello, Mr K Hays

RUTHERFORD HOUSE:

Mr D Syme, Mr Z Carter, Ms C Good

SHEPPARD HOUSE:

Mrs N Fell, Mr C Singh, Mr A Kumar

HUI AKO

There are 13 Hui Ako in each House. They consist of fewer than 30 students. Hui Ako meet for mentoring and learning sessions. A student remains in the same Hui Ako for the duration of their time at the school.

SUPPORT SERVICES

Students can self-refer to our Guidance Counsellors for support. All Counsellors are members of the New Zealand Association of Counsellors and abide by its code of ethics. They are led by Ms Margaret Hoogendoorn.

HEALTH

The school has three fully qualified nurses. A doctor, physiotherapist and psychologist are on-site part-time. The nurses oversee the health and wellbeing of students, administer medication to them by arrangement with parents, and liaise with parents, dentists and the Public Health Nurse as the need arises.

CAREERS

Students have access to a powerful resource in the Career Department from which they are given support for development of their own career exploration.

This includes in-depth one to one career exploration interviews, assistance with option choices and job search, access to course and career information, and access to industry and tertiary professionals.

Students of all levels have access to the service available from the Career Counsellor. Students wanting a career appointment are asked to contact the career counsellor at the school.

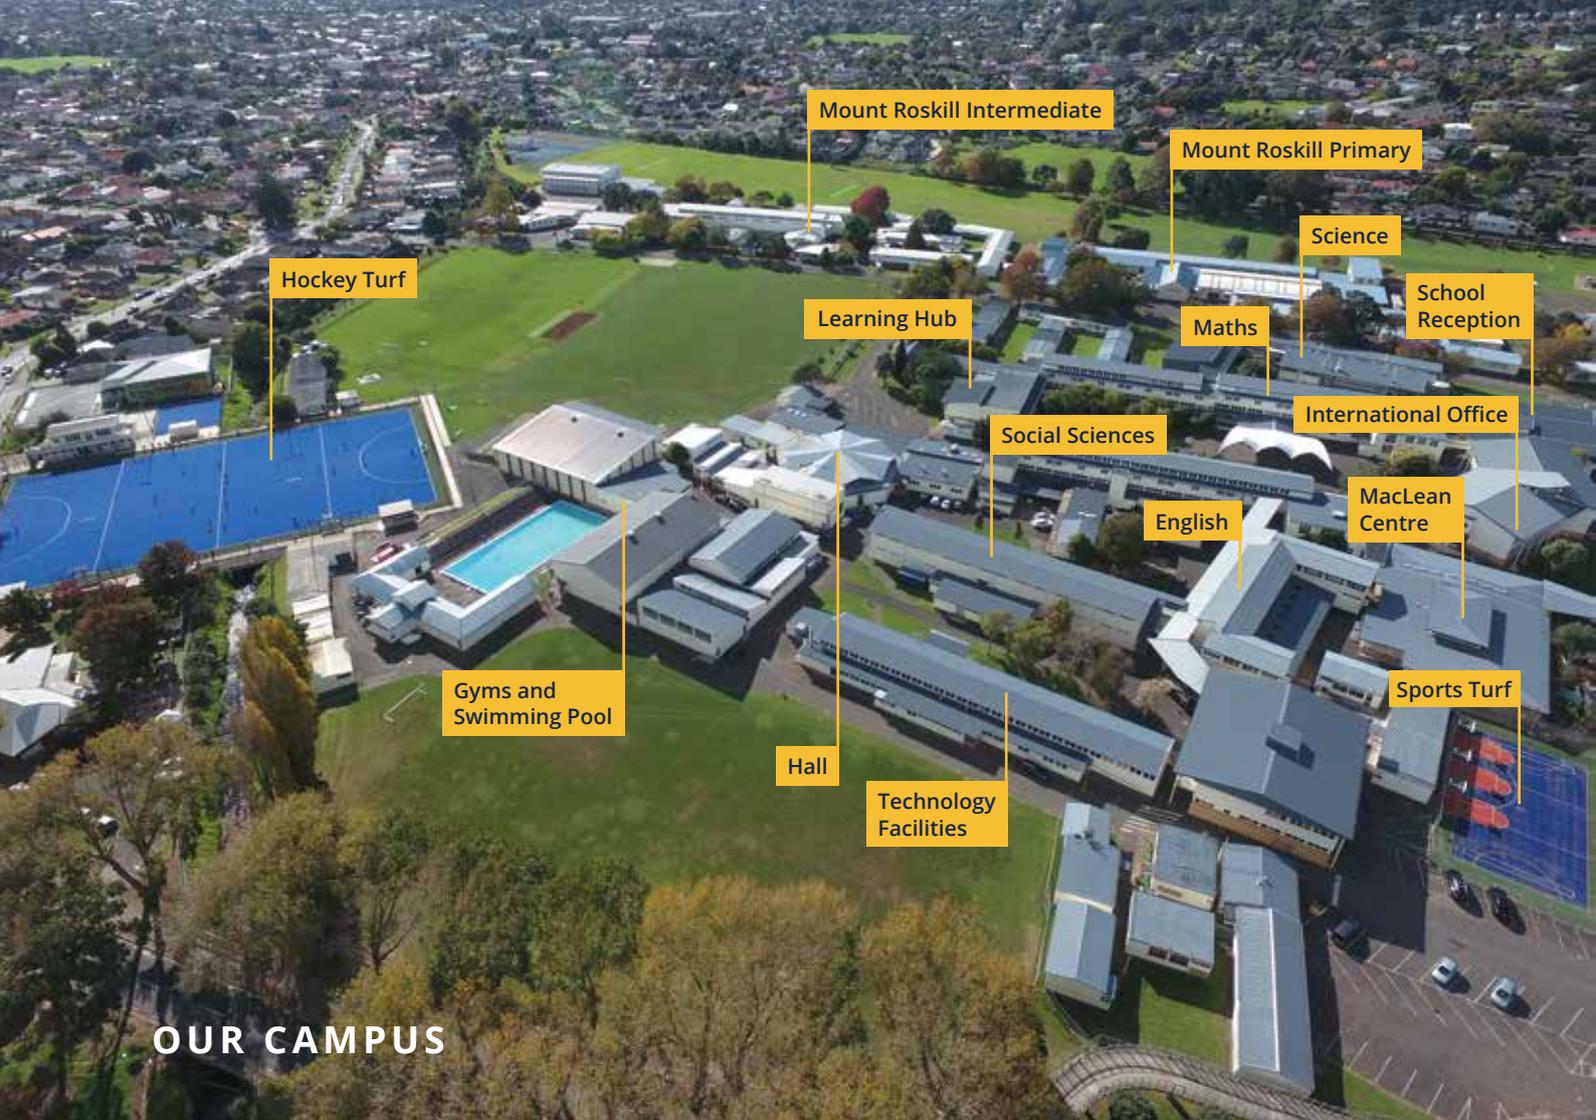

EXPECTATIONS

Students take pride in bringing credit to themselves, their families, and our school. Our expectations of how students engage in their learning with each other and in the community are supported by our core values of Manaakitanga, Tūmanakotanga and Whanaungatanga.

The formal details of uniform and behaviour expectations are available on our website: www.mrgs.school.nz

We engage students in a range of activities, challenging them to use and develop their social and personal competencies to achieve positive interactions and outcomes.

SCHOOL ORGANISATION

LEADERSHIP

Student learning is organised through departments, led by Heads of Department and supported by House Deans. Junior students learn in mixed ability classes, with the exception of two Advanced Learning classes. The progress of each student is monitored by their Kaiako, House Deans and Career and Guidance Counsellors who also oversee the pastoral care of students.

ENROLMENT FOR 2025

OPEN DAY Thursday 23rd May 2024 3:30pm -7:00pm

Enrolment for 2025 opens Friday 24th May 2024

ENROLMENT SCHEME

Procedures, Dates and Deadlines — *Dates correct at time of going to print April 2024.*

For any enrolment enquiries, please contact Glenda Haines (Reception) on 621 0050 or by email enrolment@mrgs.school.nz. Details regarding enrolment may be checked on our website: www.mrgs.school.nz

IN-ZONE

Mount Roskill Grammar School's enrolment scheme involves a geographic zone from which a student may be enrolled as an in-zone student.

DESCRIPTION OF ENROLMENT ZONE

From the Manukau Harbour via Waikowhai Road and Hillsborough Road (*both excluded*) to Dominion Road Extension, via Dominion Road Extension (*excluded*) to Richardson Road, thence via Richardson Road (*excluded*), May Road and Stoddard Road (*both included*) to Sandringham Road via Sandringham Road (*excluded*) to Mt Albert Road via Mt Albert Road (*included*), Renfrew Avenue (*excluded*), Invermay Avenue (*included*), Landscape Road (*excluded*), via St Andrews Road (*excluded*), to Mt Albert Road (*included*), hence via Hillsborough Road (*excluded*) to Hillsborough Cemetery/Richardson Road Corner and Manukau Harbour.

A map showing this zone and a list of in-zone streets is available from the School or can be viewed on the school website: www.mrgs.school.nz

IN-ZONE ENROLMENTS

Application Forms are online. They are also downloadable from the website (www.mrgs.school.nz) or available from the school office. Application Forms will be delivered to Intermediate Schools or may be obtained from the administration office or the website. Documentation required for In Zone enrolment is outlined on the Application Form.

OUT-OF-ZONE

The school will receive out-of-zone applications for 2025 for all year levels. After applications close, the Board of Trustees will determine the number of out-of-zone applicants it will accept at each level, and if necessary hold a ballot. All applicants will then be informed of the outcome of the ballot. Out-of-zone application forms will be delivered to Intermediate Schools or may be obtained from the administration office or the website.

OUT-OF-ZONE ENROLMENTS

Applications close 4.00pm Wednesday 4th September 2024

Ballot Day Wednesday 11th September 2024

You will be contacted with the results of the ballot within that week.

MACLEAN CENTRE

Students with disabilities who have their needs recognised under the Ongoing Resourcing Scheme (ORS) may apply to enrol at the MacLean Centre. The Centre provides educational and therapy support so that students can continue to grow and gain maximum contact with their peers.

Applications can be made using either the In-Zone or Out-of-Zone enrolment forms. **Applications must be returned by the closing date of 4.00pm Wednesday 4th September 2024.**

INTERNATIONAL ENROLMENTS

Enrolment documents can be found on our website.

The enrolment portal is at:
