

## COURSES OFFERED IN YEAR 11

In addition to studying **English and Mathematics** you need to choose **three (3)** subjects from the table below.

Science is also highly recommended. If students don't take Science in year 11, they will not be able to take Science in years 12 or 13.

Subject availability depends on class numbers and staffing and is not guaranteed.

When choosing your courses look carefully at the to see where the course leads. You can find this in the course information pages on Schoolbridge.
